

FEYCE, S.L., in its daily activity, is aware of the need to satisfy the expectations of its clients, guaranteeing the safety of its products, the quality of its service, respect for the environment, the safety and health of its team of professionals, and socially responsible activity.

The quality policy is set out through our firm commitment to complying with the Standards for Honey, the Codex Alimentarius and the food quality management system implemented in the company, and supported by the British Retail Consortium Standards, International Food Standards and HACCP (Hazard Analysis Critical Control Points). This is not to mention compliance with the applicable legal requirements and other requirements that the organisation commits to with interested parties.

This system has been developed to fulfil the legal and regulatory requirements which apply to our activities, and with their effective implementation, we intend:

- To guarantee food safety in our products.
- To become a company of reference in our sector.
- To adapt to the requirements of the market.
- To improve our production processes.
- To respect the environment.
- To satisfy all of our clients.
- To improve continuously.
- To respect individuals.

With the aim of achieving the above, annual objectives are developed and implemented, to achieve the points set out in our policy.

We hope that with the effort of each of the individuals who make up our human team, along with correct fulfilment of our functions, personal motivation, providing improvement initiatives, ethical behaviour and teamwork, we will achieve greater QUALITY, being able to satisfy the requirements of our clients, and thereby achieve greater PRESTIGE AND COMPETITIVENESS, thus achieving the EXCELLENCE which is our target.
